P.C.

This is a review application for setting aside the consent minutes of order dated 13.7.07 filed in this Court. The order has been made rule of this Court by my order dated 13.7.07. The only point which is raised is that the Judgment Debtor No.1 had not understood the consent terms. This contention cannot be accepted. To my recall, the Judgment Debtor No.1 was present in the Court on that day. He had signed the minutes of order and also initialled all the corrections. His Advocate also signed the same. He, therefore, cannot heard now to say that he had not understood the contents therein. There is no substance in the review application. The same is rejected.

R. S. MOHITE, J.
